

MEMORANDUM FOR: Chief/Psychological and Paramilitary Staff

SUBJECT: Radio Liberation Effectiveness

1. In connection with our recent conversations and communications on this subject, there are transmitted herewith for your information three documents as follows:

a. Copy of A.D. Ring and Company engineering survey of 1951 on which was based the decision to locate a Radio Liberation transmitter base in Spain;

b. Copy of QKACTIVE Project Amendment #2, clipped portions of which give pertinent background on policy and technical considerations demonstrating need for Radio Liberation Spanish facility;

c. Compilation of evidence of listening to Radio Liberation in the USSR and satellites.

2. It will be appreciated if you will return these documents after you have had a chance to examine them.
